Greening the Heartland - Early Registration until May 17!
Be sure to register for Greening the Heartland by May 17 to receive the Early Bird Rate! Check out the May Conference Newsletter for updates on speakers and conference details - nearly 100 exhibitors have already registered. Visit usgreenbuilding.org to check out the conference schedule and to register.
Don't forget to check out the panel and roundtable discussions as well, which will constitute a great line-up of LEED workshops, Green Advantage Training for Contractors, team Real Deal '08, Deconstruction & Building Material Reuse Training and Construction and Demolition Recycling Training!

Embrace Change in 2008 – Participate in the Greening the Heartland Conference June 22-24!

USGBC-STL 5th Annual LEED Showcase - May 20
All new indoors, 60+ LEED Certified Projects (15 commercial and 3 homes) and over 70 LEED Registered Projects! This program will feature presentations on six local projects pursuing LEED certification. We'll also have updates on projects featured over the past few years.
Program to be featured:
• Earth University Center – Washington University
• Glenn Walls South Wind Park – Springfield, IL, Parks Department
• Copper A Station Building One – Covenant Properties
• 6110 Page Business Center – Green Street Properties
WHERE: Tuesday, May 20, 2008, 5:30 Registration & Networking, 6:15 Program
WHERE: Missouri Botanical Garden’s Missouri Conference Center – 4300 Shaw Boulevard at Vandeventer
CERT: FREE to USGBC-STL members and students; $20.00 for non-members
RSVP by Monday, May 19: usgbc-stl@mobot.org or (314) 577-022.

Newly Certified LEED Buildings in St. Louis!
The St. Louis green building community is very busy! Congratulations to the following projects on their recent LEED Certification! The St. Louis Region is now up-to 16 LEED Certified commercial buildings and 2 LEED Certified homes!
• Roberts Office Expansion
• St. Louis Zoo - Animal Nutrition Center

New System Carpet and Building Care, Ltd.
Bill Rutler

PLEASE NOTE: We will transition to a bottled-water free event at this program. Water will be provided in large containers. Please bring your own reusable mug, cup or water bottles. Thanks for helping reduce the environmental impact of USGBC-STL Programs!

Introducing WeCar!
If you haven’t already heard (or seen), WeCar is a new car-sharing program available to those working and/or living downtown. Ride your bike to work downtown, but need to attend a lunch meeting? WeCar could be the answer for you! Car-sharing is available in many cities around the US, so it’s existing to have the option in St. Louis. WeCar can be found on the street in downtown St. Louis. They are a convenient, affordable and environmentally-friendly downtown transportation option. WeCar – gas-electric hybrid vehicles – are available at numerous downtown locations.
Learn more about WeCar!
For more information or assistance signing up for WeCar, contact (314) 889-8572 or WeCarSTL@erac.com.
