

Thank you for considering supporting the USGBC-Missouri Gateway Chapter and our mission and through sponsorship. **Sponsors at all levels are critical to the Chapter's efforts to transform the built environment into an environmentally responsible, prosperous and healthy place to live and work.** Your contribution will provide important support for over 50 regularly scheduled Chapter programs and events as well as support for new green building education, outreach and initiatives.

There are two ways to support USGBC-Missouri Gateway through sponsorship:

- **Chapter Sponsors:** Provide operating and program support for all the Chapter's events and initiatives throughout the year. Our annual Sponsors receive significant promotion, benefits and recognition benefits throughout the year.
- **Program Sponsors:** Provide direct support for a specific Chapter program - see reverse for opportunities & recognition.
