The Unico System[®]
Green Series

Save the date...

on November 11, 2011 to hear Jon Sader, the former Construction Director of The Make it Right Foundation (www.makeitrightnola.org), who developed a process to build affordable net-zero housing in New Orleans' hurricane ravaged Lower Ninth Ward.

Jon will discuss his paradigm (and repeatable process) for building affordable LEED[®] Platinum homes for less cost than a conventionally built home.
