8th Annual Green Schools Event
Announcing Winners & Celebrating Participants of the 2014-15 Green Schools Quest

April 15, 2015 - 5:30 to 7:30 pm
W.W. Keysor Elementary School, 725 North Geyer, Kirkwood, MO 63122

38 schools are participating in the 2014-15 Green Schools Quest. At each school, Green Teams are hard at work devising and implementing – with the help of a USGBC-MGC Green Mentor – creative, effective and no or low cost sustainable practices for their school. Join us on April 15th as we announce the winners and celebrate participants of the 2014-15 Green Schools Quest!

-  Celebrate the winners and participants of the 2014-15 Green Schools Quest.
-  Explore a variety of green school projects that local schools engaged in.
-  Find out how you can participate in the 2015-16 Green Schools Quest - as a school or mentor.
-  Learn about the Kirkwood School District's sustainability efforts and tour their Project IDEA space.
-  Learn about the Green Apple movement and plan for Green Apple Day of Service.
-  Discover green resources for YOUR school!
