

## **Sustainability Education & Communications Intern**

### **U.S. Green Building Council - Missouri Gateway (Part-time)**

The U.S. Green Building Council – Missouri Gateway Chapter seeks an energetic and skilled part-time intern with a wide range of administrative, organizational, and technical skills to assist with general Chapter operations. The internship position will report to the Education & Green Schools Manager and support the activities of the Chapter's volunteer-led committees.

#### **Primary Responsibilities**

- Assist Chapter staff with various duties related to the development of marketing and outreach materials, such as event flyers and promotional materials for Chapter events
- Maintain posts and updates regarding green building news and program announcements on Chapter website and social networking accounts (Facebook, LinkedIn, Twitter)
- Engage in short term research projects to identify local green-building and sustainability resources
- Update and print necessary literature and signage for events
- Work with Chapter volunteers and staff on day-of program logistics, including event set-up/break-down, registration, nametags, food/beverage (average of one day/month)
- Compile final attendance list for events; edit and post on website
- Maintain database of event statistics for Chapter programs and events
- Assist Chapter staff with additional duties related to educational programming
- Work with volunteers of the Chapter's Marketing Committee on the creation of LEED Project Profiles
- Perform general clerical work including letter writing, filing, copying, etc. (spreadsheets)
- Answer email and return messages as appropriate

#### **Prerequisite Skills**

Ideal candidate will have:

- Enthusiasm and interest in sustainability
- Working knowledge of Microsoft Office including: Word, Excel, PowerPoint, and Outlook
- Good written and oral communication skills
- Ability to manage multiple projects and tasks simultaneously
- Flexibility
- Ability to work independently

#### **Optional Skills**

- Ability to use a variety of business software including Word Press web editing tools

#### **Other Requirements**

- Ability to drive a car or commute to and from the Chapter office and event locations
- Ability to work some evenings
- Ability to lift objects up to 25 lbs
- Ability to walk up and down several flights of stairs

**Additional Position Information**

This is an unpaid, part-time, temporary internship  
Minimum of 6 hours per week, maximum of 12 hours per week  
Commitment of at least 16 weeks preferred
