on Project Team

# LEED for Homes Green Rater Certificate

- The LEED for Homes Green Rater certificate process, which includes qualifications, education, assessment, and mentorship, ensures that all LEED for Homes Green Raters demonstrate a minimum level of knowledge and skills.

Beginning January 1, 2011:

*All LEED for Homes projects must utilize a LEED for Homes Green Rater certificate-holder*

# Conventional Track

*Designed for individuals with minimal or no experience providing  
LEED-H project verifications*

**FIRST:** Submit Application ([www.usgbc.org/greenrater](http://www.usgbc.org/greenrater))

1. Complete LEED for Homes Green Rater Training  
*Online modules / In-Person workshop*
2. Pass LEED for Homes Green Rater Exam
3. Complete Mentorship through LEED for Homes Provider Org.  
*2 years to complete mentorship*

# Advanced Track

*designed for individuals with previous LEED-H verification experience  
as specified in Advanced Track application*

**FIRST:** Submit Application ([www.usgbc.org/greenrater](http://www.usgbc.org/greenrater))

1. Complete *one* LEED for Homes Green Rater online module
  2. Pass LEED for Homes Green Rater Exam
